LOCATION

BACKGROUND

This request is for a Series 12 (restaurant) liquor license. This has been a licensed location since 2002, most recently operating with liquor as Sandbar.

The zoning for this site is Central Business District (C-2), which allows restaurants. This establishment is 7214 sq. ft. including an existing 1260 sq. ft. patio.

APPLICANT'S PROPOSAL

The applicant is seeking a favorable recommendation on a Series 12 (restaurant) liquor license. This allows the holder of a restaurant license to sell and serve spirituous liquor solely for consumption on the premises of an establishment which derives at least forty percent (40%) of its total revenue from the sale of food. The applicant has indicated that this establishment will serve liquor between the hours of 6:30 a.m. to 9:00 p.m. Monday through Saturday; however, due to State liquor license

processing requirements, they are not required to notify the City or the State if they change their hours of operation.

PETITIONS FROM PERSONS IN CLOSE PROXIMITY

ARIZONA LIQUOR INDUSTRY CONSULTANTS

This addendum is written in response to questions 16, 17, 18, and 19 on the QUESTIONNAIRE.

In response to question 16, my company is currently contracted with over five hundred (500) liquor establishments statewide, not to mention those who have cancelled services since our inception in 1993. Depending on when this document is reviewed, it's possible that there may be a pending administrative citation, compliance action, arrest or summons against one of them.

In response to question 17, since I began ALIC in April of 1993, I have been associated with hundreds of liquor establishments and liquor licenses. Several of them have received citations (fines) and in some instances, a suspension. I work with the compliance officer on a regular basis acting as a representative for those who utilize my contract service. I do not however, have anything to do with the actual operation of any liquor establishment in this or any other state. Therefore, none of the violations to which I have just referred can be associated to me personally. Additionally, it would be almost impossible for me to give you a reconciliation of these violations, as I have been associated with so many licenses for so many years.

Question 18. In early 1995, I was involved in litigation over the sale of a class six (6) liquor license. The seller in this case presented documents to me, you (DLLC), and the Arizona Department of Revenue, showing him as the president of a corporation that owned a liquor license. He requested my assistance in selling this license, as I am a liquor license broker. The license was brokered and sold by me. Some weeks later I discovered that the individual selling the license on behalf of the corporation was a fraud, therefore the sale of the license illegal. After notifying the purchaser (victim), he instigated a lawsuit against both me and the escrow company used to consummate the sale of the license. The litigation against my company and me was later dropped; I did however have to pay the buyer's attorney's fees. Additionally, I prepared a felony complaint, took it to prior police associates at the Arizona Department of Public Safety and we obtained a five count Grand Jury Indictment and six year prison conviction against the fraudulent seller.

Question 19. I am currently the Administrative Agent on numerous liquor licenses throughout the State of Arizona. I have also owned liquor licenses that were purchased for resale only.

Respectfully Submitted,

Randy Nations,
President ALIC
